Color Accuracy | Printed colors cannot be exact color matches for the paint that comes out of the can. Photographs and paint swatches that depict colors on a computer or printed images can vary depending on your printer quality, ink type, etc. Our Master Palette Selector is designed to provide a functional representation of a color. However, we recommend that you always test a paint color before you make a selection for a project.

Calcutta Lincoln

Lisola

Glacier Quartzite

Available in Crescent Edge

A soft curve that mimics the “bullnose” granite edge. This versatile edge blends into most any kitchen design. The perfect finishing touch to your “I can’t believe this isn’t real granite” countertops.

Quartz Options

Terra Sol

Misterio

Pental Quartz is a natural quartz-based surface. It may contain variation in color due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and colored particles.

Granite Options

Bianco Primata

Valle Nevado

Black Pearl

Natural stones are products of the nature. Therefore, variations in color, pattern, texture and veining must be accepted. These differences and variations in stone should be considered as the beauty of natural stone instead of flaws.

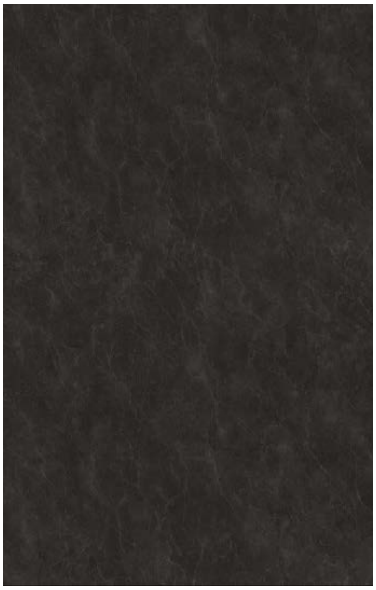

Thinscape Options

Calcutta Blanc

Soapstone Mist

Black Amani

TS317 Coastal Weave

Wilsonart has revolutionized the countertop with Wilsonart® THINSCAPE® Performance Tops. European-inspired and ultra thin, this stylish surface is as sleek as it is strong. It's also exceptionally durable with resistance to impact, scratches, and moisture.
